

Kentucky Horse Park Foundation
Cross Country Schooling Days
Course Rules 2017

- 1) All coaches (mounted or unmounted) must sign in at the registration tent.
- 2) No lunging allowed on grass. There is a sand ring available to lunge by the Steeplechase barn.
- 3) Stewards will be present on the course during all scheduled schooling and any instruction given by a steward must be obeyed by all riders and participants. Stewards can be identified by their orange vests and are there for your safety.
- 4) A rider will be asked to retire for the day after three falls.
- 5) Coaches: Please be considerate of time spent at each obstacle to give ample time for everyone to school. Please expect that Stewards may ask groups to move along to another obstacle to ensure all riders at the event can participate in each obstacle.
- 6) Be courteous to others when schooling. If you are having difficulty schooling an area, allow others to enjoy the obstacle and then return when no one is present.
- 7) Please WALK between your next schooling areas. This is for the safety of all in the area.
- 8) Permanent Rolex jumps on the course are off-limits and may NOT be schooled (This includes the Rolex "Head of the Lake"). If you are in doubt what jumps are off-limits, ask a steward before jumping.
- 9) Any area or jump marked "Closed" may not be schooled or jumped. Schooling or jumping closed or off-limit obstacles will be grounds for dismissal from the schooling day. Obstacles may need to be removed during the schooling sessions at the organizers' discretion, due to footing conditions and other factors.
- 10) No riding on the polo fields or the Steeplechase course.
- 11) In the event of lightning, participants should leave the course immediately and return to their trailers.
- 12) Coaches may use golf carts or scooters on the course if the weather permits.
- 13) No motorized vehicles are permitted within 20 feet of any obstacle.
- 14) Stewards will be clearing the course 15 minutes before the end of each session. Riders are expected to exit at this time. All pinnys must be checked back into the registration table within 30 minutes following the end of each session.
