# NEWSLETTER

Summer/Fall 2019

A non-profit organization dedicated to enhancing, expanding, and improving the Kentucky Horse Park.

## Events

03

### Seventh Annual Battle in the Saddle Event

Slated for Friday, September 27th at the Kentucky Horse Park's Covered Arena, this family-friendly event features a fun equine competition pairing local celebrities with amateur riders to see which team can pen a group of cattle in the fastest time. And all of this fun is in the name of charity – to raise funds for the Kentucky Horse Park!

## Grants

04

### KHP Foundation Awards New Grants

The Kentucky Horse Park Foundation awarded more than \$206,000 in new grants to support a variety of programs at the Kentucky Horse Park. From funding for renovations to support of education and outreach, the Kentucky Horse Park Foundation was able to make a significant impact at the Kentucky Horse Park because of its donors.

## Ways to Give

08

### The Champions' Circle Society of Planned Giving

The Champions' Circle Society recognizes individuals that have made the Kentucky Horse Park Foundation aware of their intention to make a planned gift. Through their commitment, these donors are ensuring the Kentucky Horse Park for future generations. When asked about their motivation for making a planned gift commitment, members expressed a variety of motivations.

**Gifts come in all shapes and sizes, and sometimes gifts are made anonymously.  
The KHPF is so grateful for the anonymous gift it just received.  
Thank you so very much!**

## Dear Friends of the Kentucky Horse Park Foundation,

I hope this finds you well, enjoying these last days of summer. If you have ever spent time at the Kentucky Horse Park during the summer season, you know what an exciting place it becomes. Thrilling equestrian competitions, special events geared toward the whole family, attractions, and educational opportunities....these are just a few of the things the Kentucky Horse Park offers visitors from all around the globe!

The Kentucky Horse Park Foundation is honored to play a role in what makes every season at the Kentucky Horse Park so wonderful. This edition of the KHPF Newsletter showcases projects we have been able to fund through your private donations. Major renovation projects, the Mustang Troop, and special endeavors in the International Museum of the Horse are just a few examples of your donations at work at the Kentucky Horse Park.

As we look to the fall and winter, the KHP Foundation is gearing up for the acclaimed Battle in the Saddle Celebrity Team Penning Event in September, and the iconic Bluegrass tradition Southern Lights Holiday Festival throughout the month of December. Both events are showcased in this edition, and there is still time to get involved.

We remain so grateful for friends like you, friends that support the KHP Foundation through time, energy, and resources. Please know your gifts make a substantial impact, not just during the summer, but throughout the entire year.

Best regards,  
Clay Green, Chair

## The KHPF Awards Funding to KHP for Various Projects

The Kentucky Horse Park Foundation awarded more than \$206,000 in new grants to the Kentucky Horse Park as part of an ongoing initiative to enhance the visitor experience and support educational programming.

"We're fortunate to have the support of the Kentucky Horse Park Foundation and the thousands of donors who understand just what a special place the Park is," said Laura Prewitt, Executive Director of the Kentucky Horse Park. "Managing a 1,200 acre property, from our tourist attractions to our competition facilities to our campground, requires a substantial amount of resources. It truly takes passionate people who under-

stand the importance of the Park to make a difference."

"The Kentucky Horse Park Foundation is pleased to support these worthwhile projects at the Kentucky Horse Park," said Kathy Meyer, Executive Director of the Kentucky Horse Park Foundation. "Founded to support the Park, the Kentucky Horse Park Foundation is grateful to its family of donors from all corners of the globe who value the Park's programs. Their generous contributions help to maintain and enhance facilities at the Kentucky Horse Park and ensure a future of commitment to celebrating the important role horses play in Kentucky lifestyle."

### The Projects Funded as Part of the Most Recent Quarterly Grant Cycles Are :

**Renovation of Education Barn (\$53,359)** Funds directed toward the renovation of the Education Barn, including restroom updates, new siding, central heating and cooling, flooring, dry wall, and painting. The Education Barn serves over 100 youth each year through riding lessons, camps, scouting programs, and the Mustang Troop.

**Renovation of Hall of Champions Barn and Pavilion (\$39,960)** Funds directed toward remodeling of Hall of Champions Barn and Pavilion, including the replacement of rotten wood and repainting. This iconic spot at the KHP receives visitors on a year-round basis. These repairs will ensure that guests visit a well-maintained facility to meet the Park's most famous residents.

**Barns 5-21-Repair (\$20,860)** Funds directed toward the general repair of Barns 5-21. This effort will ensure the structural integrity of these facilities, as well as improve the aesthetics. The barns are utilized by thousands of competitors each year and need to be safe and secure.

**Field Trip Fund (\$20,619)** Funds directed toward the 2019-2020 Field Trip Fund, an initiative that invites all Kentucky public schools to visit the Park on field trips free of charge and also offers transportation scholarships. To date, over 10,000 Kentucky children have visited the Park through the Field Trip Fund.

**Mustang Troop 2019 Program Expenses (\$20,074)** Funds directed toward the 2019 Mustang Troop Summer Program allowed the purchase of riding apparel, horseback riding equipment, new horses, and daily lunches. The Mustang Troop, now in its 25th year, serves at-risk youth from our community through the channels of therapeutic riding and horsemanship. Each summer, the KHP is honored to welcome youth for a horse-camp style experience that encourages discipline, responsibility, cooperation, and self-confidence.

**Painting of Breeds Barn (\$14,400)** Funds directed toward painting of the Breeds Barn, including the painting of siding and cupolas. This effort will keep the barn consistent with the color of other Park buildings and improve overall aesthetics.

**Repair Exterior of Restroom Building (\$12,540)** Funds directed toward repair of exterior of restroom building located on the Walking Farm Tour. This repair will also not only improve the aesthetics of the exterior, but will also prevent structural damage to the building.

**Parade of Breeds Costumes (\$9,345)** Funds directed toward the purchase of costumes for the Parade of Breeds attraction at the Park. The current costumes have been in use for twenty years and are in terrible condition. These new costumes promise to be historically accurate, attractive, and durable.

**Return Fees and Insurance Coverage on MET Museum Loan (\$5,921)** Funds directed to return fees and insurance coverage on MET Museum loan. The KHP was honored to display a reproduction suit of armor and saddle, on loan from the Metropolitan Museum of Art, and the IMH is now able to return these items according to the specifications of the MET Museum of Art.

**Museum Membership Fees (\$5,500)** Funds directed toward the yearly fees associated with services and professional affiliations utilized and held by the Museum, including the Smithsonian affiliation.

**Purchase of TV Monitor for Hall of Champions (\$1,877)** Funds directed towards the purchase of a TV monitor for Hall of Champions. This purchase will improve the overall visitor experience for the thousands of guests who come to meet the retired champions that reside at the Kentucky Horse Park.

**Purchase of Gun Belts for Mounted Police (\$1,711)** Funds directed toward the purchase of gun belts which will be utilized by the Kentucky Horse Park Mounted Police.

*These grants were awarded through a formal application process, administered by the KHPF Grants Committee, composed of members of the Kentucky Horse Park Foundation Board of Directors. The Grants Committee makes recommendations to the full Board of Directors upon their review of all applications. The Kentucky Horse Park Foundation is delighted to report that these awards were approved unanimously by the Kentucky Horse Park Foundation Board of Directors at its April and July meetings.*

## Southern Lights - A Magical Holiday Tradition

The KHP Foundation is proud to present Southern Lights, a tradition for thousands of families from throughout the Bluegrass and beyond. Open every evening between November 29 and December 31, 2019, more than 30,000 vehicles full of families and friends will wind through several miles of dazzling light displays along the charming farm lanes at the Kentucky Horse Park.

The low-price, per vehicle admission ticket includes a holiday festival at the end of the drive route where guests can take a photo with Santa, ride on the Mini Express Train, visit the Exotic Petting Zoo, shop at the Vendor Fair, enjoy a model train exhibit, ride on ponies and camels, and so much more!

### It's Not Too Late to Pursue Partnership Opportunities for the 2019 Southern Lights Holiday Festival

Sponsorships are available at a wide range of levels and offer tremendous exposure during the 33 days of the festive holiday season. For more information about Southern Lights sponsorship opportunities, please contact Kathy Meyer at 859-255-5727.

# Hats Off Day!

**ROOD & RIDDLE**  
EQUINE HOSPITAL

As always Hats Off Day sponsored by Rood & Riddle Equine Hospital drew a great crowd! The Kentucky Horse Park Foundation was proud to be named a beneficiary of the silent & live auction hosted in the Rood & Riddle Grand Prix VIP tent.

## Recognizing Individuals That Are Making a Difference

The Champions' Circle Society recognizes individuals that have made the Kentucky Horse Park Foundation aware of their intention to make a planned gift. Through their commitment, these donors are ensuring the Kentucky Horse Park for future generations. When asked about their motivation for making a planned gift commitment, Champions' Circle Society members expressed a variety of motivations:

### James E. "Ted" Bassett, III

(bequest designated for the International Museum of the Horse)  
*"I truly believe the International Museum of the Horse is one of the most unique things in the world, and I feel it's important to make sure it continues. It is my intention that my gift will help perpetuate the museum's great standards of excellence for future generations."*

### Andy Clark and Kathleen Sullivan

(retirement plan beneficiary designation)  
Kathleen shares, *"Why not give back to the facility that has been giving to us for 40 years! Planned gifts are an easy way to give after you've gone without having to worry about money in your own lifetime."*

### Michael and Karen Fein (trust under will)

Karen shares, *"We recognize that planned gifts are important to the future of the Park, and that's why we wanted to do it. And that's why we wish everybody that is close to the Park will step up to the plate. We want them to remember to think of the Park when they do their long-term planning."*

### Linda Green (bequest)

*"I've been involved for so long, and I felt like I needed to do something. I appreciate the fact that the Kentucky Horse Park has always stayed devoted to the horse and has resisted going commercial. And I like the fact that the Park is devoted to all breeds and disciplines. It's just a great place for people to come and a great enhancement to Kentucky. I know we must be doing something right because a lot of people are trying to emulate us."*

### Becky Jordan (life insurance policy)

*"By naming the Kentucky Horse Park Foundation a beneficiary of this particular policy, I ensure my ability to leave a mark on something I care about without affecting my current financial situation or the estate I will leave to my family."*

### Austin and Janie Musselman (personal annuity)

*Austin shares, "Having our own farm, we know how troublesome and expensive it can be to operate such a large facility. We want the Kentucky Horse Park to be there forever for people to enjoy. As times change, so too do the things people choose to support. We feel it is important for the Kentucky Horse Park to be endowed for the future and to be ensured for the next generation."*

### Eloise Penn (bequest)

*"I decided to make a planned gift for the simple reason that I love the Park and I love the horse. I wanted my money to not only stay in the community where I live and work, but also to benefit something that is very important to me."*

### Bill Robbins (trust under will)

*"The Kentucky Horse Park has become the world's preeminent equestrian facility. That didn't just happen. It happened because of the volunteers and donors that have supported the Park from its earliest beginnings. Planned gifts help maintain the commitment made by those that came before us and ensure the Kentucky Horse Park for future generations."*

### Tom Seidel (charitable gift annuity)

*"I figured out that a charitable gift annuity would provide an infinitely better return than what I'd get in a bank savings account. Plus I got a tax write-off and the opportunity to do some good. It's a win-win situation. You can't take your money with you, but you can take the good you do with you."*

For more information about planned gifts and the Champions' Circle Society, please contact Elizabeth Bartlett at 859-255-5727 or at [e.bartlett@khpfoundation.org](mailto:e.bartlett@khpfoundation.org).

## Tribute Gifts

Making donations to the Kentucky Horse Park Foundation in honor or memory of a loved one is a wonderful way to pay tribute to someone while supporting the park. Our sincere thanks for the following tribute gifts which were made between June 1, 2018 and July 1, 2019:

### Memoriam \_\_\_\_\_

#### **In Memory of Alysheba**

### In Honor of Tom Wright

Ms. Mary Vance Duggan

## In Memory - Peter Dueben

It is with great sadness that we announce the passing of long-time Kentucky Horse Park volunteer, Man o' War Society member, and dear friend, Mr. Peter Dueben. Pete passed away on May 31 following a long and tough battle with cancer.

Pete's volunteering at the Park began in 2009, and he logged over 2,034 volunteer hours. He enjoyed helping in many areas of the Park including the Hall of Champions and Parade of Breeds, along with lending a hand at special events and programs.

Pete also shared his leatherworking talents by repairing and creating tack, and in 2018, he took on a special project- reopening the tack store at the Park. Closed for the previous four years, Pete and several other volunteers took on the task of cleaning the store and creating an interactive space for visitors to learn about the art of leatherworking. They refurbished tools from the Park's original harness maker, and with Pete's assistance, KHP Foundation was able to secure a donation of leather goods from Hermann Oak Leather of St. Louis, MO.

Pete's enthusiasm for the Park, his warm personality, and his passion for leatherwork will never be replicated, and he will be missed by all. His many friends have created the the Peter Dueben Memorial Fund in his memory to support improvements to the Kentucky Horse Park Tack Shop and Hall of Champions including a new TV monitor in the Tack Shop that plays the educational video Peter made about his passion for leatherwork.

## Pony Parents' Land

Photo Credit: Shawn McMillan Photography

© Shawn McMillan '19

The KHP Foundation and Kentucky Horse Shows, LLC hosted **Pony Parents' Land** for its ninth year during the 2019 USEF Pony Finals. Competitors' parents were treated to a relaxing oasis – an adults-only hospitality area at the Stonelea Pavilion which offered refreshments and complimentary massages

from Mobile Massage by Cynthia. A contest was also held to crown **Queen Pony Mom**. This year's winner (pictured) was **Lisa Kauffman** from Cleveland, OH whose daughter Isabelle Kaufman competed in the Small Greens.

PRESENTED BY **MARS EQUESTRIAN**

The last weekend in April marked the return of the iconic **2019 LAND ROVER KENTUCKY THREE-DAY EVENT** presented by Mars Equestrian. This year's event did not disappoint the 60,000 spectators that flocked to the Kentucky Horse Park to witness world-class competition across the three phases of the "triathlon" of equestrian sport. Cigar level or higher Man o' War Society members are treated to a "front row seat" each year in the special VIP KHP Foundation Hospitality Tent ringside at the Rolex Stadium. The Kentucky Horse Park Foundation would like to thank the tent sponsors: Georgetown Community Hospital, Stites and Harbison, Bank of America, and Split Rock Farm, as well as our friends at Equestrian Events, Inc. (EEI) for their continued support. **SAVE THE DATE FOR NEXT YEAR'S EVENT- APRIL 23-26, 2020!**

## Mustang Troop Celebrates Another Successful Summer

This summer, the Kentucky Horse Park Mustang Troop hosted two successful horse camp experiences for children from low-income families in our community. The Mustang Troop hosted two ten-day sessions for two different groups of campers, ages 8-13. In total, twenty-three children participated in the KHP Mustang Troop this year.

The Mustang Troop experience is free for all participants. Campers are provided transportation to the Kentucky Horse Park, lunch and snacks, the use of riding apparel, arts and crafts opportunities, and a t-shirt to take home.

The Kentucky Horse Park gained a new partner this summer, Lexington-Fayette Urban County Government's Camp Consolidated. Camp Consolidated helped identify children from low-income families who would benefit from the program, provided daily transportation, and also provided a volunteer counselor for each day of the camp.

During their time at the Park, Mustang Troop participants were each paired with a partner and a horse, and they were given access to quality riding instruction and equine education and care, while building their own sense of self-esteem and personal responsibility. Campers were asked to complete journals throughout their experience where they set goals and reflected on their experience. In addition, the Mustang Troop Director completed an evaluation of each student that explored his/her progress over the course of the experience.

As we look to the continuation of this program, we remain immensely grateful for the support of our donors, including Mrs. Deirdre Lyons, Norman Foundation, and YOT Full Circle Foundation. For more information about this special program, please contact the KHPF office.

# Volunteer Hour Achievement

## The KHP Volunteer Program Celebrates 150,000 Hours at the Kentucky Horse Park

Founded in 2001, the Kentucky Horse Park Volunteer Program is essential to the life of the Park.

Initially created to provide docents for the Imperial China exhibit in the International Museum of the Horse, the Volunteer Program has now grown to serve nearly every facet of the Park. This program is staffed, and program expenses are underwritten by, the Kentucky Horse Park Foundation.

Today, volunteers from all walks of life dedicate their time and energy to a wide range of projects,

including the care of resident horses, gardening and groundskeeping, administrative duties, guest services, and educational programs. This fall, the KHP Volunteer Program will proudly celebrate dedicating 150,000 volunteer hours to the Kentucky Horse Park, the equivalent of 75 full-time employees for an entire year! This special celebration will include current and retired volunteers, previous volunteer managers, and Park staff.

***More details soon!***
